## Specifications

|                                |                 |
|--------------------------------|-----------------|
| Total weight                   | 216 g           |
| Weight of main unit            | 216 g           |
| Height of main product (in mm) | 108 mm          |
| Width of main product (in mm)  | 55 mm           |
| Depth of main product (in mm)  | 55 mm           |
| Noise reduction                | No              |
| Cable length main cable        | 180 cm          |
| Frequency response             | 100 - 16.000 Hz |
| Impedance                      | 2.200 Ohm       |
| Sensitivity                    | -32 dB          |
| Sound pressure level           | 100 dB          |
| Echo cancellation              | No              |
| Sampling rate                  | 16bit, 48kHz    |
| Signal-to-noise ratio          | 62 dB           |
| Compatible Device Types        | laptop pc       |
