Fai spazio al gioco!

La tastiera HyperX Alloy Origins™ 60 ha un ingombro ridotto al 60% che la rende estremamente comoda da trasportare e lascia più spazio ai movimenti del mouse. È dotata di un robusto corpo completamente d'alluminio, mentre gli switch HyperX di cui è dotata sono bilanciati per assicurare velocità e reattività e possono resistere a 80 milioni di pressioni. Sui copritasti Double Shot PBT in dotazione è stampata anche una seconda funzione, così potrai individuare più rapidamente le funzionalità aggiuntive. Il design con LED a vista degli switch HyperX e gli straordinari effetti luminosi permettono al tuo stile di trasparire in tutto il suo splendore. Personalizza ulteriormente la tastiera con macro, profili di illuminazione e tanto altro ancora con il software NGENUITY di HyperX.^[3]
