

androidtv

With this TV you can enter the world of tivùsat for free with over 150 national and international channels, 56 of which in HD. No subscription required, only insert tivùsat certified CAM and activate the smartcard. You will see more, better, hassle-free and very high quality.

R2 (belongs to the Mediaset Group) carries out technical and technological services for the transmission on digital terrestrial pay-TV of content offers from interested third party operators. R2 encrypts TV signals with use of a licensed CA System whose smart-cards distributed throughout the country.

Guarantees the consumer the opportunity to enjoy this TV on all platforms: digital terrestrial / satellite and internet according to the latest technology standards. Allows access to the new DVB-T2 without additional decoders; to tivùsat free satellite platform (a tivùsat certified smart card needed); to TV on demand services, contents of the la...

Automatically up-scales non 4K content so you can experience your favourite movies and TV shows in the highest resolution.

Enhances the contrast of an image by optimising the darker and brighter regions to create a more realistic image.

Buy or rent the newest movies and shows way before they hit DVD — plus all your old favorites, too. Whether you're on Android or iOS, watch them on your TV, phone or tablet — even when you're offline.

Google Play is your entertainment unbound. It brings together all of the entertainment you love and helps you explore it in new ways, anytime, anywhere.

Discover the Netflix® button on your remote control to jump from one adventure to another.
