A BEWITCHING ADVENTURE

◆ From the story that captivated audiences worldwide comes the highly anticipated two-part film adaptation. A profoundly nuanced story of friendship and loyalty, power and morality, the thrillifying adventures of Elphaba and Glinda reflect how history and our perceptions shape our definitions of good – and wicked. Evolving from their days at Shiz University, the unlikely friendship between the two women ultimately changes the course of the Land of Oz and all its inhabitants.

The secrets of the extraordinary Emerald City will be revealed.

A fateful encounter with the Wizard sends the two friends' lives on different paths.

In fulfilling their destinies, the two discover that they have an unbreakable bond.

IT'S ALL ABOUT THE ACCESSORIES!

◆ Make your own magic as you build your Emerald City Wall Art! All the way from Munchkinland, the Yellow Brick Road will take you straight to Emerald City. However, we strongly recommend taking detours along the way to explore all the familiar scenes and locations, like the tulip fields of Munchkinland, the iconic train from Emerald City and the spires of Shiz University. If you look beneath the golden, green and teal-toned surfaces, you will discover removable parts that hide Easter eggs and references to the amazafying, fantabulous world of *Wicked*. You can display your final creation on a shelf or defy gravity (with the clever use of wall-mounting holes in the back) and hang it on your wall.
