Elastika. The only one retaining its original shape

Arda's research has led to the development of Elastika, an innovative range of technical drawing equipment made using a material offering a major advantage: the ability to bend and revert to its original shape without suffering any damage. It guarantees genuine technical drawing tools, combining flexibility with other essential features: transparency, undeformability and precision measurement.

The real difference that make Elastika unique and inimitable.

OGGETTO DI CULTO
MADE IN ITALY

Elastika. La seule qui conserve ses formes

Le département de recherche d'ARDA a donné naissance à Elastika, une gamme innovante d'instruments de dessin technique réalisée dans une matière qui permet un résultat extraordinaire: la capacité de se plier et de revenir à sa forme originale sans se déformer est la certitude d'avoir en main un instrument qui allie la souplesse aux autres caractéristiques essentielles : transparence, stabilité de la forme et précision de la mesure.

La vraie différence qui fait de Elastika une gamme unique et inimitable.

elastika®

Indistruttibile*
Indestructible*

* Indistruttibili nelle normali condizioni di utilizzo.

* Indestructible for a normal use of the instruments.

* Indestructible dans les conditions normales d'utilisation.

Sicurezza e Qualità

La straordinaria flessibilità, le punte arrotondate e gli angoli smussati rendono questi strumenti assolutamente sicuri.

Elastika conferma e migliora la tradizionale qualità Arda: materiali di prima scelta trasparenti e flessibili, millimetri e numeri incisi indelebilmente nella plastica e cifre in grassetto cadenziate per facilitare la lettura.

Safety and Quality

Its extraordinary pliability and rounded corners indeed make all the items in this range absolutely safe. Elastika confirms and improves Arda's traditional reputation for quality: first class materials, completely transparent and incredibly flexible, millimetre markings and numbers indelibly etched in the plastic, with bold highlighting of numbers every 5 cm to facilitate reading.

Sécurité et Qualité

La sécurité est notre principale préoccupation. La flexibilité, les pointes et les angles arrondis font d'Elastika des instruments à la sécurité maximale. Elastika confirme la tradition de qualité d'ARDA : matériaux de premier choix, transparence absolue et flexibilité incroyable. La graduation gravée est indélébile et les nombres en gras simplifient la lecture.
