### HPS T252BL

#### 200W PMPO amplified speaker - blue

Dual woofer amplified speaker, designed both for listening to music and for enjoying Karaoke in company. The look is extremely original and features exclusive details, such as the coloured grid and the lighting of the woofers that creates a joyful atmosphere. Ideal to listen to music from your smartphone via bluetooth and easy to carry thanks to its little weight. It is powered by a 2400mAh lithium battery that guarantees hours of operation. It is supplied with a practical remote control and a wired microphone, ready for use. It can be recharged via USB (cable included).

It comes with the innovative TWS function, offering the possibility to play music from smartphones on 2 speakers simultaneously via bluetooth 5.0
