

Brother HSE-221E Guaina termorestringente

Marchio : Brother

Codice prodotto: HSE-221E

Nome del prodotto : HSE-221E

Nastro termorestringente nero su bianco Brother HSe-221E - 9 mm

Brother HSE-221E Guaina termorestringente:

Questa cassetta di nastro nero su bianco da 9 mm HSe-221E è stata appositamente progettata per contrassegnare e distinguere i cavi, le fibre e i fili con un diametro esterno di 1,6 mm - 5,4 mm. Quando il nastro stampato viene collocato intorno a un cavo e scaldato con una pistola termica, si restringe, cingendo strettamente il cavo. Non occorrono adesivi, cosicché anche in ambienti caldi il nastro termorestringente non si staccherà dal cavo.

Compatibile con un'ampia gamma di nostre stampanti P-touch, questo tubo originale Brother HSe-221E è un elemento essenziale nella valigetta degli attrezzi di ogni elettricista, fornendo etichette pulite che ti aiutano a soddisfare i requisiti di sicurezza e a essere più efficiente sul lavoro.
