WHAT IS AND IS NOT COVERED

It is important to note that our warranty is not an unconditional guarantee for the duration of the Program.
Any replaced parts become the property of Cooler Master. The Program does not apply to the software
component of a product or a product which has been damaged due to accident, misuse, abuse, improper
installation, usage not in accordance with product specifications and instructions, natural or personal
disaster, or unauthorized alterations, repairs or modifications.
The Program does also not cover any events such as below:
• Any damages unrelated to manufacturing defects.
• Any unsuitable environment or use of the product in Cooler Master Opinion.
• Any product which has been modified without official permission from Cooler Master, or on which the
serial number or warranty sticker has been defaced, modified, or removed.
Damage, deterioration or malfunction resulting from:
• Accident, abuse, misuse, neglect, fire, water, lightning, or other acts of nature, commercial or industrial
use, unauthorized product modification or failure to follow instructions included with the product.
• Third party products using Cooler Master Components will not be covered by warranty. See your vendor
or the manufacturer for information about servicing.
• Repair or attempted repair by anyone not authorized by Cooler Master, Inc.
• Any shipment damages (claims must be made with the carrier).
• Unauthorized repairs to a Cooler Master product will void the warranty offered by the Program.
Cooler Master reserves the right to refuse to service any product which has been altered, modified or
repaired by non-Cooler Master Service personnel.
• Cooler Master does not warrant that this product will meet your requirements. It is your responsibility to
determine the suitability of this product for your purpose.
• Removal or installation charges.
• You are responsible for the cost of shipping the product to Cooler Master. Cooler Master pays the cost
of returning a product to You (applies only if product is directly purchased from Cooler Master).
• Cooler Master reserves the right to replace the product with a service product at their sole discretion
at any time.
• Product malfunction or damage resulting from liquids or moisture.
• All accessories that malfunction due to physical damage such as: USB cables, extension cables, adapter
cables, adapters, power cords, screws, retention brackets, ear cups, and all other similar accessories.

LIMITATION OF IMPLIED WARRANTIES:

THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, WHICH EXTEND BEYOND THE DESCRIPTION
CONTAINED HEREIN INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A
PARTICULAR PURPOSE.
